In-Home Supportive Services Description

In-Home Support Services (IHSS) is a state program administered by Alameda County. IHSS provides homecare assistance to eligible aged, blind or disabled individuals.

This assistance allows program participants to live safely and independently in their homes rather than living in institutions or nursing homes. The IHSS program supports this by paying a worker to provide domestic and/or personal care services.

An IHSS Social Worker approves the services based on the consumer’s need. The consumer then selects and hires a worker to provide the services.

- Provide information and referrals to community resources

To apply for In-Home Supportive Services, call (510) 577-1800 or go to www.alamedasocialservices.org.
Share of Cost

- Consumers whose income is greater than the SSI benefit level may be required to pay a portion of the cost of their IHSS services. This is called the share of cost.

- The IHSS social worker will inform the consumer if they have a share of cost. Consumers must inform their worker.

- The State will mail a letter to the consumer and worker after each pay period showing the share of cost amount that was deducted from the worker’s check.

- The consumer pays the share of cost monthly, from his/her own money, to the homecare worker.

- If the consumer does not pay the share of cost, he/she may be terminated from IHSS services. (The county is not responsible for ensuring that the consumer pay the share of cost.)

Advance Pay

- Some consumers receive funds each month to pay their homecare worker directly. This is called Advance Pay.

- Consumers must be authorized for at least 20 hours of personal care services to be considered for the Advance Pay program.

- Consumers and homecare workers must submit to payroll completed timesheets each month.

For more information on Advance Pay, consumers can contact their IHSS Social Worker.
Appeals (Fair Hearing)

Whenever the County makes any change in services, the consumer receives a Notice of Action letter at least 10 days before the effective date of the change.

If there is a disagreement about the change, whether it is a change in the hours, services or termination of service, we recommend that the consumer immediately:

- Contact the IHSS social worker to discuss any concerns with them.
- Contact the social worker’s supervisor and discuss the situation with them.
- You have the right to appeal (request a fair hearing). The appeal procedure is on the back of the Notice of Action letter.

  ◆ If you request a fair hearing **before the change goes into effect**, you can ask that you continue to receive your current hours and services until the hearing is over. It is called “aid paid pending.”

  ◆ You must request a fair hearing **within 90 days** of the mailing date on the Notice of Action.

**To request a Fair Hearing**, the consumer can fill out the back of the *Notice of Action* form and send it to the address on the form, or call 1(800) 743-8525. For additional help contact your local independent living centers (ILC) or Disability Rights of California.
Hiring an IHSS Homecare Worker

IHSS consumers are in charge of finding and selecting their homecare worker. We suggest consumers follow these steps when hiring:

1) **Search** for potential workers
2) **Conduct a telephone interview** to talk about the job
3) **Conduct a Face-to-Face interview** if the job and worker match.
4) **Check references** to learn about a worker’s job history
5) **Select** one or more workers and extend an offer of work
6) **Hire** – write up a job agreement, fill out enrollment forms and workers new to IHSS attend an orientation.

**Hiring Steps**

1) **Search** for potential workers by talking to family or friends for recommendations, advertising through local newspapers or websites, or by contacting the Public Authority Registry (See p. 27).

2) **Conduct a telephone interview** - Talk about the job to see if the job and worker match. By the end of the phone interview the following items should be covered:

   ✓ Days and times the worker is expected to work
   ✓ What date the worker would begin to work
   ✓ The total hours expected to work a month
   ✓ What tasks the worker is expected to perform
   ✓ “Make or break” issues regarding care, lifting, diet, allergies, worker needs to have a car, schedule, etc.
   ✓ If a face-to-face interview is arranged, make sure address and directions to the interview are clear.
3) **Conduct a Face-to-Face interview** - During the interview the worker and consumer should go over the same items as the phone interview in more detail. Workers should bring:
- Employment and personal references
- Picture identification and work permit
- Signed Social Security card
- Any training certificates

It is illegal for consumers to ask workers questions regarding: race, ethnicity, children or religion. Focus interview questions on worker’s ability to do the job tasks required.

4) **Check references** - Consumers should check each of the worker’s references. Consumers may ask about: the worker’s dates of employment, type of work done, quality of work and what needed improvement.

5) **Selection** - Consumers should select workers that can meet the consumer’s need for assistance and who are available when they need them.

    *NOTE: The homecare worker must be fingerprinted and pass a **background check** prior to being paid as an IHSS worker. If the worker doesn’t pass, the consumer will be responsible to pay him/her for any work done.*

6) **Hire** – Enroll the homecare worker with IHSS, see page 14. We also recommend you create a job agreement that the consumer and worker sign. The agreement should include:
- The tasks to be done, how often they should be done and any special instructions.
- Arrangements about pay (such as share of cost, expenses, shopping, driving, etc.)
Worker Enrollment with IHSS

IHSS consumers must enroll each new worker they hire before the worker will receive a timesheet or be paid. Consumers must inform IHSS Payroll of a change in workers within 10 days. Take these steps:

1) **Request an enrollment packet.** Consumers request packets by calling IHSS at 510-577-1900 (see p. 43 for details on calling IHSS), visiting IHSS offices or writing IHSS Payroll (address is below).

2) The consumer and worker must **complete and sign the enrollment forms.** Turn in the enrollment forms at the IHSS Orientation or send to:

   **IHSS Payroll**
   6955 Foothill Blvd., 3rd Floor
   Oakland, CA 94605

3) Homecare workers new to IHSS must **attend the IHSS Orientation.** The first page of the enrollment packet has details about if and when to attend the orientation. At the IHSS Orientation providers will:
   - Watch a **state-mandated video** about IHSS.
   - Sign and turn in enrollment **forms** as needed.
   - Pick up the form “Request for Live Scan Service.” Take it to a Live Scan Vendor to pay for and undergo a **criminal background check.**
     - The worker must not have been convicted or in jail within the last ten years for elder abuse, child abuse or fraud.
     - Cost of the Live Scan varies. It is approximately $50 – 70.
     - The form and a list of vendors are available at IHSS offices.
   - Show county staff the provider’s original, unexpired government photo **ID** and signed **social security card.**
     - The name on the Social Security card and identification must match exactly.
• If Social Security card states "Valid for work only with INS or DHS authorization," provide a copy of your work authorization too.

4) Payroll mails a **first timesheet** to the worker after enrollment forms, orientation and background check have been processed.

**Who is the Homecare Worker’s Employer?**

Once enrolled with IHSS, the homecare worker has three “employers”, each with different roles and responsibilities.

First Days on the Job

**What is the job?** Review the tasks to be done. If helpful, write the tasks down as a checklist. Clarify what jobs are done on what days.

**Clarify payment issues:** Have IHSS forms and provider orientation been completed? Does the consumer have a Share of Cost (see p. 10)? Will the worker be paid for mileage to transport the consumer? How much?

**How will the job be done?** The consumer will need to find out what the worker already knows and what instructions the worker needs. Some consumers want things done in a very particular way. Others are flexible about how things can be done. Consumers should describe any equipment, supplies and cleaning products available and explain how to use them.

**Worker dress:** Workers should wear clean, comfortable clothing. Many consumers prefer that workers do not wear a uniform, since that may be associated with hospital employees. Do not bring a large backpack, purse or other bag that might cause concern about possible theft.

**Paramedical assistance:** Request training from a health care professional for tasks such as monitoring or giving medications, injections, wound and catheter care. Make a list of any medications, including schedule and amount, if the worker will help with medications.

**Preparation for emergencies:** Post a list of phone numbers for doctors, clinics, therapists, social workers, relatives or friends to call in case of an emergency. Discuss how the worker should handle different emergencies.
Time Sheets and Paychecks

There are two pay periods each month:

1st -15th
and
16th – the last day of the month

Fill out timesheets with blue or black ink. Write clearly.

Never use white out. Cross out mistakes to make corrections. Both the consumer and worker should initial the change.

Use this conversion chart to claim minutes worked:

<table>
<thead>
<tr>
<th>1- 6 minutes = .1</th>
<th>31-36 minutes = .6</th>
</tr>
</thead>
<tbody>
<tr>
<td>7-12 minutes = .2</td>
<td>37-42 minutes = .7</td>
</tr>
<tr>
<td>13-18 minutes = .3</td>
<td>43-48 minutes = .8</td>
</tr>
<tr>
<td>19-24 minutes = .4</td>
<td>49-54 minutes = .9</td>
</tr>
<tr>
<td>25-30 minutes = .5</td>
<td>55-60 minutes = 1</td>
</tr>
</tbody>
</table>

Timesheets must be signed and dated by both the worker and the consumer, unless the consumer has an authorized representative.

The consumer signature on the timesheet confirms that the worker has completed the hours written on the timesheet. A consumer should not sign an inaccurate, incomplete or blank timesheet.

Workers should claim only actual hours worked. Claiming more hours is considered fraud.

Workers should not work or claim more than the authorized hours. They will not be paid for working extra.
Time Sheets and Paychecks

Workers should not work extra hours in any month unless the consumer has *already received an increase in hours*.

Workers **cannot claim hours** when the IHSS recipient is out of her or his home. Examples include a stay in a hospital or skilled nursing facility, board and care home, in jail/prison or travel out of state (unless travel was pre-approved by the social worker).

**Unused** hours each month don’t carry over into the next month.

IHSS homecare worker **employment ends immediately** if the consumer dies.

If the worker is **employed only part of a month** (examples: worker hired mid-month, consumer hospitalized part of the month) the authorized hours may be adjusted (pro-rated) for the month. See below for an example of pro-rating hours for a consumer with 60 hours a month and out of home 10 days.

3️⃣ **Calculate pro-rated hours.** EX: 20 days x 2 hours/day = 40 pro-rated hours for a 30 day month.
Time Sheets and Paychecks

Timesheets must be turned in after the last day worked in the pay period. Mail timesheets to:

Alameda County Social Services Agency
ATTN: IHSS Payroll
6955 Foothill Blvd., 3rd Floor
Oakland, CA 94605

Once timesheets are received, the IHSS Payroll department enters payroll information into a computer system.

Payroll information is then sent to The State of California, which mails paychecks within 10 working days after payroll receives the timesheet.

Direct Deposit is available to IHSS homecare workers.

- With Direct Deposit, the IHSS payroll paycheck is deposited directly into the worker checking or savings account.
- You must work for 3 months before you qualify for Direct Deposit.
- To enroll in Direct Deposit, the worker fills out the Direct Deposit Enrollment/Change/Cancellation Form (SOC 829). For forms or information, call the Direct Deposit Help Desk toll free at (866) 376-7066.

Replacement timesheets can be requested from payroll.

Wait 5 working days before reporting a late paycheck.

If you received the paycheck and lost it, call immediately.

IHSS Payroll: 510- 577-1877
(See P. 41 for payroll hours.)
Income Tax Withholding (Forms W-4 & W-2)

- Workers who want Federal Income Tax (FIT) withheld from their pay must fill out a Form W-4 for each consumer.

- Payroll will not process incomplete or incorrect W-4 forms. Check your paystub to make sure taxes are taken out, or you may owe money when you file taxes.

- The state mails W-2 forms to workers each year before January 31st. Form W-2 is needed for Federal and State income tax purposes. Call payroll for a replacement Form W-2 if not received by February 15th.

- Many workers are eligible for Earned Income Tax Credit (EITC). EITC is a federal program that may provide a tax refund to the worker, even if the worker did not pay any taxes. Information about this credit is available from the IRS or in your tax form booklet.

- Questions about your taxes? Call the Internal Revenue Service at 1-800-829-1040 or go to www.irs.gov.

IHSS Payroll Department Responsibilities

- Enroll new workers
- Terminate workers at consumers’ request
- Mail initial and replacement timesheets
- Confirm worker’s number of authorized hours
- Review and process timesheets
- Help with lost or late paychecks
- Process change of address
- Process Workers’ Compensation claims
- Handle workers’ employment and income verification (request at least 10 business days before needed)
Worker Benefits

Worker’s Compensation
Workers injured on the job or who become ill due to work may qualify. Call IHSS payroll at (510) 577-1877, to request a claim form. Call the State Compensation Insurance Fund at (951) 697-7300, to follow-up on the claim.

State Unemployment Insurance Benefits (SUI)
Some workers are covered by unemployment insurance and may receive benefits when they are laid off. Contact the Employment Development Department for more information at 1(800) 300-5616.

Social Security (FICA)*
FICA is a tax deducted from each check. The State of California pays an employer matching contribution. The FICA tax money is placed in the Social Security Trust Fund, which provides retirement income, disability insurance, Medicare and benefits for survivors. Call Social Security at 1(800) 772-1213 for more information.

State Disability Insurance Benefits (SDI) and Paid Family Leave (PFL)*
Those unable to work due to disability, birth of a child or need to care for a disabled family member may qualify. For claim forms and information, call the 1(800) 480-3287 for State Disability Insurance and 1(877) 238-4373 for Paid Family Leave or visit www.edd.ca.gov.

* Child, parent and spouse homecare workers do not have FICA, Medicare, or SDI deducted from their paycheck. They can pay out of pocket for SDI by completing the Elective SDI Coverage form. Call EDD at 1(800)480-3287 for more information.
Worker Benefits (continued)

Health Insurance
The Public Authority determines eligibility and enrolls IHSS workers in a bundled medical, dental & vision plan.

Workers must be issued checks for (160) hours or more over (2) consecutive months in order to be covered initially. When you meet the eligibility, we’ll contact you. To maintain coverage, workers must be issued checks for at least (80) hours each month on-going.

Once covered, homecare workers will have a $20.00 or $45.00 monthly premium deducted from their paycheck, depending on their choice of dental plans. Co-pays are additional. For information about enrollment or eligibility, call the Public Authority Health Benefits Hotline at 510-777-4201.

Transportation Benefit
IHSS homecare workers can enter a quarterly lottery to win $180 worth of Commuter Checks (used to purchase BART or AC Transit passes) or ARCO gasoline cards. For information contact the Public Authority at (510) 577-3552.

*Health insurance and transportation benefits are subject to change based upon the collective bargaining process between Alameda County Public Authority and SEIU – United Long Term Care Workers Union.

Vacation & Sick Leave
There is no earned overtime, sick leave, vacation, or holiday pay. Homecare workers are paid only for actual hours worked.
IHSS in Alameda County is a “Union Shop.” This means that IHSS homecare workers are required to pay monthly dues and/or other fees to a selected union.

SEIU – United Long Term Care Workers Union 6434
SEIU 6434 negotiates with Alameda County for higher wages and improved benefits for workers. They provide assistance with IHSS provider enrollment forms, problems with timesheets and late paychecks. Through their union, IHSS homecare workers have a voice about their job. You can contact the union to get involved.

- Call SEIU at 1(877) MY-ULTCW (1-877-698-5829)
  or go to www.seiu-ultcw.org for more information.

- Contact the Homecare Worker Training Center at 1 (866) 888-8213 for information on training opportunities.

*The Union and Public Authority have agreed that “no-strike; no lock out” rules apply to IHSS Homecare workers in Alameda County.*

The Public Authority (PA) works to make the IHSS program in Alameda County work better for consumers and workers. We are a separate agency from the County IHSS program. The PA provides the following:

**For Consumers**

- **A Registry** linking IHSS consumers to pre-screened homecare workers (see page 27)
- **Rapid Response** emergency worker replacement service (see page 29)
- A voice in suggesting improvements to IHSS services through our **Advisory Board** (see page 30)
- **Discussion groups, guides and factsheets** on how to navigate IHSS and employ homecare workers (see page 31)

**For Homecare Workers**

- **Registry** of homecare workers (see page 27)
- Free **skills training and education** (see page 31)
- **Medical insurance enrollment** (medical, dental and vision) (see page 22)
- **Transportation benefits** (commuter checks and gas cards) (see page 22)

*Enhancing personal assistant services to support independent living since 1993*
The Public Authority operates a Registry that connects consumers and workers.

The Registry:

- Provides IHSS consumers referral lists of the names and phone numbers of workers that match their needs and preferences. Lists can be mailed or sent by e-mail.

- Uses a computer database (list) of IHSS homecare workers to make referrals.

- Educates homecare workers listed on the registry through the “Registry Essentials” workshop.

- Screens and interviews IHSS homecare workers on the Registry.

- Checks references of IHSS homecare workers on the Registry.

- Ensures that homecare workers on the Registry have passed a criminal background check.

- Provides assistance and training to consumers and homecare workers.

- Offers interpretation services for consumers who need registry services in their language.
Hiring a Registry Worker

When the consumer gets a list of available homecare workers from the Registry, they can call them to find out if they are available for work. Although the Registry has reviewed the workers’ employment background and checked references, we strongly recommend that consumers interview the worker and speak with their references.

**IMPORTANT NOTE**: The consumer is responsible for hiring, enrolling, training, supervising and firing (if necessary) the worker that they select to provide services.

**Workers: Need a Job?**

If you want to work as an IHSS homecare worker, being listed on the Registry may help you connect with consumers looking for a new worker.

Once you are accepted onto the Registry, consumers who want to hire a homecare worker can get your name from the Registry. It is then the responsibility of the consumer to call, interview, select, hire, pay and supervise the worker. The Registry does not schedule or conduct interviews for consumers.

**Want to join the Registry?**

Call the Registry worker information line at **510-577-5694**. You’ll find information on how to apply to be listed on the registry.
Rapid Response

Emergency Worker Replacement Program

IHSS consumers can get a replacement homecare worker on short notice or in an emergency for FREE.

Rapid Response
1-877-306-4425

Some restrictions and rules apply:

◆ The consumer must have an urgent need for personal care or critical domestic services that cannot wait until their regular worker is available.

◆ Rapid Response provides this service 24 hours a day, 7 days a week.

◆ Service is available to IHSS consumers living in any city in Alameda County.

◆ Rapid Response workers cannot do routine housework, transportation, protective supervision, or paramedical services (like wound care or injections).

◆ Rapid Response workers provide service for only 1 to 4 hours of service each visit and no more than 4 visits a month.

◆ There is no cost to the IHSS Consumer. However, the hours used are deducted from the Consumer’s total IHSS hours for each month.

Helpful Tips and Hints

For Consumers:

- Create a job agreement based on the consumer’s Notice of Action letter from the IHSS social worker.
- Be respectful of the worker and appreciate the work done.
- Take care not to share confidential information with your worker (unless absolutely necessary).
- When your homecare worker shops alone, make a clear shopping list and write down the amount of money you give them. Ask for a receipt and any change when the worker returns.
- It is best to give at least two week’s notice, when reasonable, if you plan to let your worker go.

For Homecare Workers:

- The consumer is your boss. Follow his/her directions unless the requests are outside of IHSS approved tasks or could be dangerous.
- Do not bring friends or family members to work with you unless previously agreed upon with the consumer.
- When assisting a person with vision, memory or mental disability, always put things back in their place so the consumer can find them again.
- It is best to give at least two week’s notice if you plan to leave your job.
More Helpful Tips and Hints

For Consumers and Workers:
- It is recommended that you do not loan or borrow money from the consumer or the worker.
- Clear, open and honest communication is important. Ask questions in order to avoid any misunderstandings.

Transportation Tips:
- Remember: IHSS does not pay for gas, mileage or public transportation costs.
- However, the worker may ask the consumer to pay for gas or mileage. If the consumer agrees:
  - Set a clear rate. For example pay per mile at the IRS rate ($0.50 per mile for 2010)
  - Only pay mileage for work-related tasks, such as shopping or accompaniment to doctors’ appointments. Do not pay for getting to and from work.
- Workers driving consumers should have a valid driver’s license.
- The vehicle that the worker drives should be insured with liability and collision coverage.
Accident Prevention and Health & Safety

Prevent Accidents & Injuries

- **The Right Tool for the Job** – use mops, carts with wheels for carrying heavy objects, stepstools, transfer chairs, shower chairs and bars, etc. when doing homecare work.

- **Use Good Body Mechanics** – avoid back and other injuries by correctly using and positioning your body.
  - Don’t lift anything you think is too heavy for you
  - Don’t twist when lifting; move your feet to turn
  - Bend your knees, not your back
  - Bring the weight close to your body

- **Prevent Falls** - keep walkways clear of clutter, loose rugs, spilled water, electrical cords.

- **Take Classes on Health & Safety** – see p. 31 on training and education.

Use Universal Precautions
Avoid spreading illness and disease.

- **Wash hands frequently** with soap and running water. Wash when arriving or leaving work, before handling food, after using/cleaning the bathroom or assisting with personal care.

- **Wear gloves** if you may have contact with blood or other body fluids.

- **Use mild bleach solution** (ten parts water to one part bleach) to clean up blood or other body fluids. Use alternate cleaners when the consumer has chemical sensitivities.
Universal Precautions (continued)

★ Avoid handling sharp objects that might have come in contact with blood or body fluids. Use heavy plastic containers for storing needles and other sharp objects.

★ Get a Hepatitis B Vaccine – call your primary care physician or call “2-1-1” to find a free vaccine clinic in your area.

Emergency Preparedness

★ Discuss a plan for handling emergencies
★ Keep a list of consumer’s medications and emergency phone numbers
★ Prepare an emergency kit

On the Job Injuries

If you are hurt on the job, seek emergency medical attention needed. Then make a report to the IHSS Payroll Department at (510) 577-1877.

Payroll will complete the employer’s section of the claim form, and the injured worker must fill out the employee section. This form is then submitted to State Compensation Insurance Fund (SCIF) the claims administrator. Call 1-951-697-7300 for information on a submitted claim.
Legal Matters to Think About

Privacy and Confidentiality
Homecare workers should not discuss the names, identity or health information or personal business of the consumers for whom they work with anyone. Most of this information is illegal to share under HIPPA and confidentiality laws.

Any problems or concerns about consumers should be brought to the attention of the social worker, the Registry that connected them to the consumer, or Adult Protective Services (APS) when necessary.

Legal and Financial Affairs
Unless the worker is a relative or a close friend, it is recommended that the worker NOT be involved in the consumer’s legal and financial affairs, such as power of attorney, a will, a living will, or a loan. Only information needed in case of an emergency should be shared.

Driving and Auto Insurance
Workers driving on the job must have a valid and current driver’s license. Workers driving their own car must have auto insurance. If a worker drives the consumer’s car, make sure it is in good working condition and that the worker is covered under the insurance.

Remember, IHSS does not cover transportation expenses like gas, mileage, or parking. The consumer and worker should work out in advance how the consumer will pay for such costs if provided.
Abuse

Abusing a child, dependent adult or elderly person is a crime. As a homecare worker you are **required to report** the suspected abuse of any person for whom you provide care.

Criminal abuse of elderly and dependent adults includes:

- Financial misuse or theft
- Physical or sexual mistreatment
- Assault or battery
- Neglect or self-neglect
- Intimidation
- Cruel punishment
- Abandonment
- Social isolation
- Unreasonable physical restraint
- Any treatment causing physical or mental pain or suffering
- Prolonged deprivation of food, water or medical treatment

Abuse of children includes physical injury, neglect, cruel or excessive punishment, sexual misuse, assault and exploitation.

**Mandated Reporting**

Homecare workers are mandated reporters of elder/disabled abuse. If you observe or suspect an IHSS consumer is being abused, you are required by law to inform/report the situation immediately to Adult Protective Services. Failure to report suspected abuse is a misdemeanor.
Welfare fraud is a crime against the most vulnerable in our society. Some examples of welfare fraud include:

★ Splitting the IHSS paycheck between homecare worker and consumer
★ Falsifying timesheets (signing timesheets for more hours than worked)
★ Paying or requesting more than the IHSS hourly rate
★ Dishonesty about completion of job duties
★ Use of IHSS hours for unauthorized tasks
★ Reporting hours worked while consumer is hospitalized or in rehabilitation.
